Save on fines while helping families

The library is holding a Mother’s Day Drive in May.

Anyone who donates toiletries, tampons, pads, or diapers will get a $5 coupon good toward erasing library fines for overdue materials.

You can drop off your donations at the library. Donations will benefit women and families at the Nashua Soup Kitchen and the United Way’s Community Baby Shower.

True crime series

In 1985 the bodies of a mother and her 7-year-old daughter were discovered in Bear Brook State Park. In 2000, the bodies of a second daughter and another girl were found nearby. Not until 2017 was the likely suspect identified, and it was just last year that three of the victims were identified, through DNA evidence and forensic genealogy. NHPR’s podcast, Bear Brook, tells this heartbreaking story, and its host, Jason Moon, will share it with you at the library on March 5.

See pages 10 and 12 for details on all three true crime programs in the series.

Tax forms

If you need tax forms, come to the library. We have a few print forms available; if you need others, you can print them at the library for 20 cents per page. To minimize your waiting time, we’ve reserved a computer for just this purpose.
